

ANTARCTICA BRIDGE

FLY&CRUISE

THE FAST TRACK TO
THE LAST CONTINENT.

 SILVERSEA®

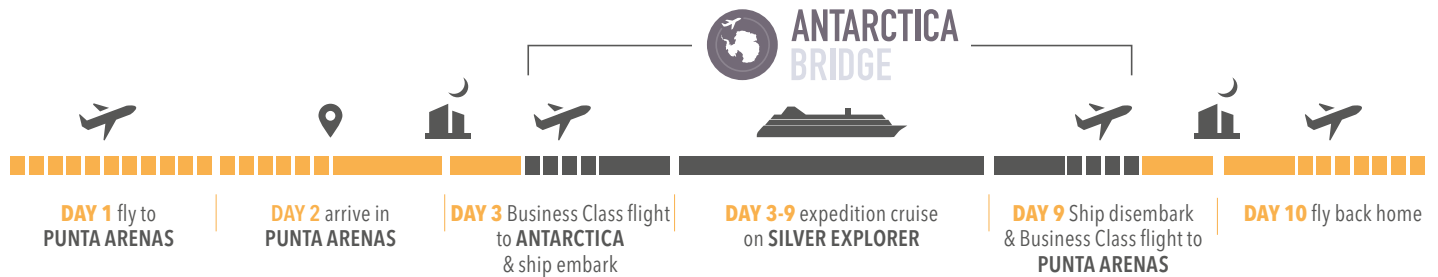

EXPEDITION

Antarctica can be closer than you think. Skip the Drake Passage to fly business class from Punta Arenas straight to Antarctica. Let *Silver Explorer* take you across the continent, immersed in the otherworldly beauty of the most extreme latitudes on the planet.

Enjoying direct flights from Chile's Punta Arenas to King George Island in Antarctica, travellers will fly over the Drake Passage on a private plane – reserved exclusively for Silversea's guests – that has been specially adapted to land on King George Island. Hosted by Silversea representatives and offering travellers the luxury of a business-class configuration, the flight will take two hours each way, meaning guests will avoid approximately four days at sea on the return journey. A bespoke in-flight entertainment programme, which will include Zodiac and IAATO briefings, will be tailored entirely for Antarctic expeditions to prepare you for the unique adventure ahead.
